Bid #50-00117824

Two year contract for Office Supplies as needed for all Jefferson Parish Departments.

Vendors must bid on all core items and percent off category items.

Core List: if the vendor is bidding on name brands other than specified within the line item descriptions, vendor **must** list their manufacturer and part number for each of the line items they are substituting and include specifications with bid submission. Failure to do so will result in bid rejection. Successful bidder during the life of contract may substitute items but only may do so with Purchasing's prior approval. Jefferson Parish requires that all brand names be listed on final contract. Bid evaluation will be based on this section of the bid solicitation.

Categories and Respective Discounts (Page 2 of these bid specs):

While bid evaluation will be based on the core list, vendors must submit bids on the Category Discounts table with corresponding discount percent off. Page 2 of these specs must be included with bid submission. Failure to do so will result in bid rejection.

Toner/Ink Cartridges (Category for Discount): The toner and /or ink cartridges must be **Original Equipment Manufacturer** – remanufactured cartridges or surplus cartridges will not be accepted during the term of the contract.

Online Orders: Vendors must be able to accept online orders. The Purchasing Department reserves the right to supply the successful vendor with purchase order numbers in lieu of hard copies (or e-copies of purchase orders).

Delivery: This is a requirements contract, which means the contract can be used by Jefferson Parish Government departments and branches of government for which we coordinate purchases. Delivery is required to various locations on an as needed basis. Each purchase order will indicate the delivery address for that order. Delivery of each contract order will be required within one week after receipt of the order.

Invoices: The successful vendor must invoice individual departments. On all invoices for items ordered under the Category Discounts, the vendor must show list price, applied discount to equal the final price.

Freight: Freight charges should be included in the cost of items; if not then freight must be indicated that it will be added to each delivery/invoice. Freight charges should be estimated on your bid response for tabulation purposes, example freight is estimated as \$5.00 per order. If freight is not noted then your bid is tabulated and accepted as freight included in your line item bid price. Vendors are not allowed to add freight after the fact to the bid response or contract.

Reports: Upon contract expiration and at the request of Jefferson Parish the successful bidder shall provide usage reports which will include use/quantities ordered of each respective item listed on this contract, sorted by same, including those items purchased under the Category Discounts. STANDARD INSURANCE REQUIREMENTS – PUBLICLY ADVERTISED BIDS

All required insurance under this bid shall conform to Jefferson Parish Resolution No. 113646 or No. 113647, as applicable. Contractors may not commence any work under any ensuing contract unless and until all required insurance and associated evidentiary requirements thereto have been met, along with any additional specifications contained in the advertised bid. Except as where otherwise precluded by law, the Parish Attorney or his designee, with the concurrence of the Director of Risk Management or his designee, may agree on a case-by-case basis, to deviate from Jefferson Parish's standard insurance requirements, as provided in this Section. Vendors requesting deviation therefrom shall submit such requests in writing, along with compelling substantiation, to the Purchasing Department prior to the bid's due date. Any changes to the insurance requirements will be reflected in the bid specifications and addenda. Prior to contract execution and at all times thereafter during the term of such contract, contractors must provide and continuously maintain all coverages as required by the foregoing Resolutions, and the contract documents. Failure to do so shall be grounds for suspension, discontinuation or termination of the contract.

For bidding purposes, bidders must submit with bid submission a current (valid) insurance certificate evidencing the required coverages. Failure to comply will cause bid to be rejected. The current insurance certificate will be used for proof of insurance at time of evaluation. Thereafter, and prior to contract execution, the low bidder will be required to provide final insurance certificates to the Parish which shall name the Jefferson Parish, its Districts Departments and Agencies under the direction of the Parish President and the Parish Council as additional insureds regarding negligence by the contractor for the Commercial General Liability, Workmen's Compensation Insurance and the Comprehensive Automobile Liability policies. Additionally, said certificates should reflect the name of the Parish Department receiving goods and services and reference the respective Jefferson Parish bid number.

JEFFERSON PARISH REQUIRED STANDARD INSURANCE

Note: If your company is not required by law to carry workmen's compensation insurance, i.e. not a Louisiana company, sole employee of the company, then bidders must request a workmen's compensation insurance declaration affidavit prior to the bid opening date. This insurance declaration affidavit must be fully completed, signed, properly notarized and submitted with the bid. A scanned copy may be submitted with the bid; however, the successful bidder must submit the original affidavit in its original format and without material alteration upon contract execution. Failure to comply will result in the bid submission being rejected as non-responsive. The Parish reserves the right to award bid to the next lowest responsive and responsible bidder in this event.

☒ **COMMERCIAL GENERAL LIABILITY**

Shall provide limits not less than the following: \$1,000,000.00 Combined Single Limit per Occurrence for bodily injury and property damage.

☒ **COMPREHENSIVE AUTOMOBILE LIABILITY**

Property Damage Liability \$1,000,000.00 each occurrence.

Note: This category may be omitted if bidders do not/will not utilize company vehicles for the project or do not possess company vehicles. Bidder must request an automobile insurance declaration affidavit prior to the bid opening date. This insurance declaration affidavit must be fully completed, signed, properly notarized and submitted with the bid. A scanned copy of the completed, signed and properly notarized affidavit may be submitted with the bid; however, the successful bidder must submit the original affidavit in its original format and without material alteration upon contract execution. Failure to comply will result in the bid submission being rejected as non-responsive. The Parish reserves the right to award bid to the next lowest responsive and responsible bidder in this event.

DEDUCTIBLES

No insurance required shall include a deductible not greater than \$10,000.00. The cost of the deductible shall be borne by the contractor.

NOTE: If the vendor requires a change in deductibles, the request must be submitted in writing to the Purchasing Department prior to the due date of the bid. Such request shall be reviewed by the Parish Attorney's Office with the concurrence of the Director of Risk Management.
